### MAGNETIC FOLDING MAGNIFIER

This powerful 3.5X magnifier features a magnetic base that can be attached to any ferrous material (hand tools, fridge, etc). The compact and flexible magnifier is adjustable to many positions and can be used in various situations.

- 3.5 X magnification
- 40mm lens
- Powerful magnet
- Foldable / adjustable arm

MADE IN AUSTRALIA

**\$294.64**

P/N: 320500

### DEFLECTING BEAM TORQUE WRENCH 3/8" DRIVE 1 - 25NM

This precision deflecting beam torque wrench features a 3/8" square drive and has an accuracy of +/-2% throughout a range of 1 - 25Nm (10 - 220in.lbs).

- 3/8" drive
- Range: 1 - 25nm (10 - 220in.lbs)
- Accuracy +/-2%
- Deflecting beam mechanism (no spring)
- Left & right-hand operation

**\$28.59**

P/N: 163261

### ONE TOUCH MAGNETIC BIT HOLDER 150MM

The 1/4" hex drive magnetic bit holder features a one touch quick release function, along with a super strong magnet for superior bit retention. To remove the bit, simply push down on the ball and the bit will be ejected. Great for quick and easy bit changes!

- 1/4" hex drive
- Easy one finger operation
- Super strong magnet
- Slim diameter

**\$13.74**

P/N: 163370

### AUTO-RETRACTABLE UTILITY KNIFE WITH NOTCH HOOK BLADE

The notch hook blade automatically retracts back into housing for added safety when the slider button is released.

**\$98.62**

P/N: HT-906K

### GAS SOLDERING TOOL KIT

The ideal portable soldering kit for a variety of jobs. Contents: Ceramic soldering head, hot blow head, side cutter, long nose pliers, solder tube, safety stand, hot cutting

**\$19.72**

P/N: 163001

### 180MM INDUSTRIAL SHEARS

Made from high alloy steel forging, the multi-purpose industrial shears consist of sharp, super hard anti-wear blades and a comfortable PVC handle. Suitable for industrial, automotive, electrical, handicrafts, home, gardening and many other uses.

Can be used to cut corrugated sheet, wire mesh, wire, cable, plastic film, paper, cotton. Conforms to international standards.

**\$22.39**

P/N: MH80

### 80 WATT SCOPE MH SERIES SOLDERING IRON

- 240Volt, 80 Watt general purpose soldering iron.
- Anti-roll handle
- Long life tips
- Mains operated
- Stainless steel barrel
- 4 interchangeable tips available separately

**\$35.38**

P/N: 162051

### CHAMFER-PRO EXTERNAL DEBURRING TOOL 3 - 12MM

- High carbon alloy steel
- Finish: SCM435
- 4 cutting edges
- 1/4" drive hex bit
- HRC: 62±1
- Cutting dia: 3 - 12mm

**\$254.10**

P/N: 163351

### 100-TEETH SWIVEL RATCHET SET

- Drive: 1/4", 3/8", 1/2"
- Drive: 1/4", 3/8", 1/2"
- Length: 165mm, 245mm, 310mm
- Super strong high tooth gear
- Aluminium handle design
- Quick release lock

**\$41.87**

P/N: 960101

### IRONTITE COOLING SYSTEM SEALER 375ML

IronTite cooling system sealer has been formulated to ensure a quick and permanent seal.

The sealer contains a compound which gels and hardens very quickly on contact with air or combustion chamber gases. The glibrous material in IronTite is finer than in any other make of sealer, and because it is not vegetable origin it forms a permanent seal.

**\$30.73**

P/N: A830L

### DIGITAL MULTIMETER

A small inexpensive multimeter suitable for the professional or handyman.

- DC Volts: 200m - 1000
- AC Volts: 200m - 750
- DC Amps: 200μ - 10
- Resistance: 200 - 2m
- Diode: Yes
- Trans: Yes
- Display Digits: 3.5
- Digital Size: 12mm
- Height: 126

**\$48.40**

P/N: 162008

### 5-PIECE TURBO FAN TIP BLOW GUN SET

Durable, compact and interchangeable blog gun Perfect for cleaning, blowing and detailing Includes:

- 70mm fan tip
- 105mm fan tip
- 260mm fan tip
- 350mm fan tip

**\$263.05**

P/N: 383500

### 12PC METRIC WAVE RATCHETING SPANNER SET

Work smarter, not harder with the new reversible ratcheting gear spanner sets. Warren & Brown Tools has combined the best and most commonly used features into a single set, providing great versatility, convenience and value.

**\$22.63**
