

TORQUE MULTIPLIER SETS

A lightweight torque multiplier with 1000Nm capacity.

Contents:

- Torque Multiplier
- 90° reaction bar
- Straight reaction bar
- Vortex ratchet 1/2" drive
- Reaction arm release tool
- Break-away adaptors (x2)
- L key

Do not use with impact wrench.

WB	Torque Ratio	Gear Ratio	Input	Output	Input Nm	Output Nm	KG
301000-K	1:3.3	1:4	1/2" F	3/4" M	300Nm max. (225Lbf ft)	1000Nm max. (750Lbf ft)	4.3

A lightweight torque multiplier with 1500Nm capacity

Contents:

- Torque Multiplier
- Straight reaction bar
- 90° reaction bar
- 90° reaction base
- Break-away adaptors (x2)
- L-type hex key

Do not use with impact wrench.

A lightweight torque multiplier with 2000Nm capacity

Contents:

- Torque Multiplier
- Straight reaction bar
- 90° reaction bar
- 90° reaction base
- Break-away adaptors (x2)
- L-type hex key

Do not use with impact wrench.

A lightweight torque multiplier with 2500Nm capacity

Contents:

- Torque Multiplier
- Straight reaction bar
- 90° reaction bar
- 90° reaction base
- Break-away adaptors (x2)
- L-type hex key

Do not use with impact wrench.
